TONGUE LASHING

"Do nothing to sadden the Holy Spirit." —Ephesians 4:30
We either sadden or gladden the Spirit by the use of our tongue. Our tongues control not only our bodies but even the movement of the Spirit (Jas 3:2). Therefore "never let evil talk pass your lips; say only the good things men need to hear, things that will really help them" (Eph 4:29). "Get rid of all bitterness, all passion and anger, harsh words, slander, and malice of every kind" (Eph 4:31).

Also, we must control our tongues so that "seldom is heard a discouraging word." For example, the great Elijah began to speak death, negativity, and defeat. Shortly he changed from a one-man army into a victim of depression. Elijah "prayed for death: 'This is enough, O Lord! Take my life, for I am no better than my fathers'" (1 Kgs 19:4). God's word is "spirit and life," not depression and death (Jn 6:63).

Furthermore, we should guard against murmuring and complaining (Jn 6:41). This misuse and abuse of the tongue deprived the Israelites of entering the promised land (see Nm 14:1-24). It also prevented the Jews from receiving Jesus' great revelation of Himself as "the Bread of Life" (Jn 6:48). The tongue is like a valve that can either open up or shut off our hearts. If the Lord controls our tongues, He controls our whole bodies (Jas 3:2).

2009 Mission Trip Reflections

I would like to thank the parishioners at Blessed Sacrament/St. Joe for your generous donations. This trip would not have been possible without you. Most importantly "Thank You" for your prayers. This trip would not have been as successful as it was without you. I did not know what to expect or what we might get into, but it turned out so well. I am still amazed when I think about our experience together. What a great way for our two parishes to grow as a family. I was extremely impressed by our young adults' hard work, dedication and eagerness to learn and work together. It was far more than I could have ever expected. A neighbor came over several days in a row and told me how great it was to see these young adults working together. I believe that we made a difference in Junior and Ethyl's (the owners of the house) lives as they also did in ours. We will never forget them.
