Dear People of Blessed Sacrament and St. Joseph,

We will begin the first phase of our Rite of Christian Initiation of Adults (R.C.I.A.) Process in just a few weeks. This first phase is the period of inquiry. People who have questions or an interest in learning more about the Catholic faith can come and have those questions answered. For some this process will lead to their full reception into the Catholic Church at the Easter Vigil. We are seriously looking at having an RCIA process at both parishes.

If you, or someone you know, is interested in learning more about the Catholic Church, please have them call the respective parish office. We have already had several calls showing interest in the R.C.I.A. process. Now is the time to invite your friends or family who do not have a church family to "come and see."

Our Christian faith and rich Catholic traditions give our lives hope, meaning, and purpose. Certainly this gift is something that we would want to share! Let us do our part to spread the Good News.

Father Ron

#### FRUIT OF THE LIPS (see Heb 13:15)

Jesus "put His fingers into the man's ears and, spitting, touched his tongue." —Mark 7:33

Jesus' gestures of inserting his fingers into a deaf-mute man's ears and touching the man's tongue seem foreign to our modern, antiseptic culture. Yet if you're baptized, you experienced the touch of Jesus in a similar way. At baptism, the priest or deacon touched your ears and lips, praying that God would open your ears to hear His word and your lips to proclaim it. Before Jesus touched the deaf-mute, "He looked up to heaven and emitted a groan. He said to him, 'Ephphatha!' (that is, 'Be opened!') At once the man's ears were opened; he was freed from the impediment, and began to speak plainly" (Mk 7:34-35). Jesus is still the same today (Heb 13:8). He's still groaning and praying that our ears and mouths would be open to the Word of God. Years of listening to loud music results in a gradual loss of hearing. Likewise, years of listening to the noise and voices of the world causes our spiritual hearing to decay. Repent of any spiritual deafness or muteness. Allow Jesus to take you off by yourself with Him, away from the hubbub of the world that crowds around you (Mk 7:33). Let Him touch you anew and renew your baptismal innocence. "Be opened!" (Mk 7:34)
