What We Are Learning

Language Arts

We practiced reading and spelling words with the long e sound spelled with e, ee, and ea. We discussed the difference between fiction and non-fiction texts. In grammar, we learned about synonyms. Our story this week was Penguin in Peril by Helen Hancocks.

Math

We have completed our chapter on counting coins. We counted combinations of nickels and pennies, dimes and pennies, and dimes and nickels. To mark our 100th day of school, we celebrated with several counting and grouping activities.

Religion

We learned more about Moses and the Israelites. God had a plan to save His people through Moses. His words strengthened Moses' trust in God. God's words in the Bible give us hope that He will provide comfort and safety.

Science

We learned more about sound this week. We demonstrated how sound can make objects vibrate. We learned that similar instruments can make different sounds, but all instruments are alike because something must vibrate in order to make sound.
