## What We Are Learning

### Language Arts

We practiced reading and spelling words with the long o sound spelled with oa and ow. We discussed main idea and supporting details in a text. We focused on text features: captions, index, labels, heading, and table of contents. Our story this week was Chameleons are Cool by Martin Jenkins.

### Math

This week we started work in Chapter 8 - Addition Facts Within 20. We used the "make a 10" strategy to help us add to 11 and 12, and then to find sums through 14.

### Religion

We learned that God brought His people out of Egypt by parting the Red Sea. The waters of the Red Sea protected Israel from the Egyptians. The waters of Baptism free us from sin. God provides for us just like he provided for His people in the desert.

### Science

We concluded our lessons on sound by learning how people use sounds. We compared how people of the past used sound to communicate over long distances.

### Tricky Words

your  
down  
some  
because  
says  
could  
would

### Special Points Of Interest:
